- provides outstanding facilities and the best environment for learning
- works in partnership across the schools in the Trust
- combats disadvantage through effective use of pupil premium funding
- works with parents and carers to engage them in their children's education

Our Ethos and Values

Our School provides high-quality learning in a safe, caring and purposeful environment that supports children and young peoples' personal and academic development. We value the diversity that exists within our schools. We recognise the worth of each individual, helping them to develop a positive self-image and a 'can-do' attitude.

We equip our children and young people with the skills and knowledge that will enable them to achieve success throughout their education. We prepare our children and young people for roles as tomorrow's leaders. We inspire them to reach for their dreams, act responsibly on their beliefs and be ready for future success.

Safeguarding and Child Protection

Safeguarding determines the actions that we take to keep children safe and protect them from harm in all aspects of their school life. At Trinity School we are committed to promoting the welfare of children and protecting them from harm. We take very seriously, our pastoral responsibility for students in our school and recognise that they have a fundamental right to be protected from harm. We recognise that because we are in regular and frequent contact with children, we are particularly well placed to ensure our students feel safe and secure in order for them to learn effectively and enjoy their education.

The actions that we take to prevent harm; to promote wellbeing; to create safe environments; to educate on rights, respect and responsibilities; to respond to specific issues and vulnerabilities all form part of the safeguarding responsibilities of the School and the wider Trust.

The School aims to ensure that:

- Appropriate action is taken in a timely manner to safeguard and promote children's welfare
- All staff are aware of their statutory responsibilities with respect to safeguarding
- Staff are properly and regularly trained in recognising and reporting safeguarding issues
- New staff will receive induction and mentoring to ensure they are familiar with and understand the School's policies and procedures.
