

TRINITY SCHOOL PRESS RELEASE

A-LEVEL RESULTS AT TRINITY SCHOOL Thursday 15th August 2019

Our Year 13 students have been brilliant this year and we would expect nothing less! We are delighted that 83% of students achieved A*-C grades with 51% of them achieving grades at A*-B. With over 20% of all grades at A*-A, the students have truly demonstrated the school motto of personal excellence.

The students have worked hard to achieve these strong results and have been supported by a committed team of staff throughout their two years of study. This year the next steps for our students are wide ranging including apprenticeships with local companies as well as those choosing the more traditional route of University.

Some notable subject performances for % of A*-B grades are: Maths 100%, Further Maths 100%, Media Studies 100%, Physics 100%, Health and Social Care 100%, Public Services 100%, Travel and Tourism 100%, History 86% and Business Studies 60%.

We are thrilled that those students in both year 12 and 13 sitting the Extended Project Qualification achieved 100% pass rate at A*-A. This really reflects the quality of their personal research and presentations.

We would like to thank our staff and parents for the support and care given throughout the students' studies, enabling them to achieve their very best. The following students are our highest performers:

Name	Grades	Next Steps
Mahima Begum	A* A A	Birmingham – History and English Literature
Billy Jiang	A* A A B	UCL - Maths
Kirsty Vincent	A*Di* B (EPQ A*)	Exeter – Geography
Alfred Whitehead	A* A B	Queen's University Belfast – Law
Josh Davies	A A B (EPQ A)	Apprenticeship with Ross Brooke
Ellie Randall	Di* Di A	Birmingham City – Midwifery
Tasha Curtis	Di* Di B	Bath Spa – Musical Theatre
Mia Giles	Di*D D	Employment

Di*/Di = Distinction*/Distinction
